

THE AFRICAT FOUNDATION

DONATION AND SUPPORT FORM

The AfriCat Foundation is dependent on support to maintain our various programmes: large carnivore rehabilitation, environmental education, human-wildlife conflict mitigation, community support, research and the carnivore care centre.
PLEASE INDICATE CURRENCY AND TOTAL AMOUNT.

DONATION. HELP US HELP THEM!

I would like to donate This funding goes towards general running costs, veterinary expenses, computers, vehicles, feeding bowls, tractor and grasscutter, cameras, collars, telemetry, researcher housing and general equipment.

ENVIRONMENTAL EDUCATION. THIS WILL BUILD THE FUTURE!

I would like to donate towards the Environmental Education Programme.

It costs approximately (N\$10 000 / US\$1000 / €625 / €769) for a group of 20 scholars to visit one of our Education Centres. This funding goes towards covering the cost of education materials, transport and food.

HUMAN-WILDLIFE CONFLICT MITIGATION AND COMMUNITY SUPPORT.

I would like to donate towards the Livestock Protection Programme at AfriCat North.

This funding goes towards covering the cost of building cattle and goat kraals (pens) in the local communities. The materials to build a kraal which holds 50 goats costs approximately N\$40 000 / US\$4000 / €2500 / €3077.

SUPPORT ANIMALS IN OUR CARNIVORE CARE CENTRE (CCC)

I would like to support (sponsor) a cheetah(s) for a year (N\$2500 / US\$250 / €156 / €192 per cheetah per year).

I would like to support (sponsor) a leopard(s) for a year (N\$3500 / US\$350 / €219 / €269 per leopard per year).

I would like to support (sponsor) a lion(s) for a year (N\$5000 / US\$500 / €313 / €385).

I would like to support (sponsor) a brown hyaena(s) for a year (N\$1500 / US\$128 / €102 / €113).

The sponsorship fee covers the cost of food and basic veterinary care.

MONITORING OF A RECENTLY REHABILITATED CARNIVORE.

I would like to donate towards the monitoring of a recently rehabilitated carnivore in the 200 km² Okonjima Nature Reserve.

YOU CAN SUPPORT THE MONITORING OF A RECENTLY REHABILITATED CARNIVORE IN THE 200 km² OKONJIMA NATURE RESERVE. Your support will cover the tracking vehicle's fuel costs and pay for the subsidised meals fed to the cheetahs during their first 1 to 6 months of rehabilitation.

CELEBRATE THE LIFE, ACHIEVEMENTS AND CHARACTER OF SOMEONE YOU CHERISH!

I would like to donate to celebrate the life, achievements and character of _____

CELEBRATE THE LIFE, ACHIEVEMENTS, AND CHARACTER OF SOMEONE YOU CHERISH!
A legacy gift is a meaningful and long-lasting way of helping future generations of Namibian children preserve their natural heritage. If you are interested in receiving information on legacy donations, please contact AfriCat.

SPONSOR TRACKING EQUIPMENT

I would like to donate towards research and sponsoring a collar.

AfriCat on Okonjima uses VHF collars and telemetry devices.
VHF radio collar: Leopard / Cheetah / Hyena / Caracal collar: N\$ 2,500 per collar (US\$250 / €156 / €192)
Satellite Collar (Iridium): Leopard / Cheetah / Hyena N\$ 25,000 (US\$ 2500 / €1563 / €1923)

AFRICAT NORTH LION GUARDS

I would like to donate towards the salary of AfriCat North Lion Guards.

The AfriCat Lion Guards encourage and guide communal farmers to adopt the AfriCat Livestock Protection Programme, identify priority villages for kraal-building, monitor and report on lion whereabouts and incidents, patrol fences, and report poaching and other illegal activities.
